

BECAS INSTITUCIONALES

Esta política aplica a todos los estudiantes que se matriculen en alguna localidad de NUC University y cumplan con los criterios de elegibilidad de la beca a la que solicite. Los estudiantes pueden participar de alguna de estas becas, independientemente de que reciban otro tipo de ayuda financiera (no institucional), siempre y cuando cumplan con los requisitos establecidos en esta política.

Los estudiantes que soliciten cualquier ayuda económica administrada por NUC University están requeridos a reportar cualquier ayuda económica externa adicional que esperen recibir para financiar sus estudios (Veteranos, Rehabilitación Vocacional, AmeriCorps, etc.).

La solicitud está disponible y debe ser entregada en la Oficina de Asistencia Económica. Las solicitudes se evaluarán en el orden en que son recibidas, de manera que; NUC University les exhorta a solicitar a tiempo, ya que los fondos disponibles para estas becas son limitados. NUC University desembolsará la cantidad de la beca otorgada al finalizar el semestre académico para el cual los fondos le fueron asignados.

Estas becas no están disponibles para estudiantes matriculados en cursos de educación continua. Los estudiantes solo podrán participar de una beca institucional.

Beca Institucional: “High School Senior”

La beca “High School Senior” otorga \$200.00 a estudiantes matriculados en programas conducentes a un diploma y \$300.00 a estudiantes matriculados en programas conducentes a un grado asociado o bachillerato. 1. Completar la Solicitud de Beca Institucional antes de completar el programa,
2. Completar el programa en una localidad elegible,
3. Mantener progreso académico satisfactorio

INSTITUTIONAL GRANTS

This policy applies to all students who enroll at any NUC University location and meet the eligibility criteria of the grant for which they are applying. Students may participate in any of these grants, regardless of whether they receive other (non-institutional) financial aid, as long as they comply with the requirements established in this policy.

Students applying for any financial aid administered by NUC University are required to report any additional external financial aid they expect to receive to fund their studies (Veterans, Vocational Rehabilitation, AmeriCorps, etc.).

The application is available and must be submitted to the Financial Aid Office. Applications will be evaluated on a first-come, first-served basis, so NUC University encourages you to apply early, as funds available for these grants are limited. NUC University will disburse the amount of the grant awarded at the end of the academic semester for which the funds were allocated.

These grants are not available to students enrolled in continuing education courses. Students may only participate in one institutional grant.

Institutional Grant: High School Senior

The High School Senior grant awards \$200.00 to students enrolled in programs leading to a diploma and \$300.00 to students enrolled in programs leading to an associate or bachelor's degree. The grant is applicable to the first term of study. An additional \$200.00 will be awarded to students who demonstrates evidence of having completed high school with a cumulative GPA of 3.2 or higher.

To be eligible, students must meet the requirements described below:

1. Have completed high school in the year he/she was admitted to NUC University,
2. Complete the Institutional Grant Application before the end of their first academic term,
3. Be a resident of Puerto Rico and/or enrolled at NUC University South Florida Campus
4. Maintain satisfactory academic progress,
5. Complete all courses enrolled in the first term of studies.

Institutional Grant: Healthcare Heroes

The Healthcare Heroes grant awards \$200.00 to students enrolled in programs leading to a diploma and \$300.00 to students enrolled in programs leading to an associate, bachelor's or master's degree. The grant is applicable to the first term of study. An additional \$200.00 will be awarded to students who are ineligible for the maximum Federal Pell Grant amount due to reaching the maximum lifetime limit.

To be eligible, students must meet the requirements described below:

1. Enroll in one of the health-related programs,
2. Complete the Institutional Grant Application before the end of their first academic term,
3. Be a resident of Puerto Rico and/or enrolled in NUC University South Florida campus,
4. Maintain satisfactory academic progress,
5. Complete all enrolled courses of the first term of studies.

Institutional Grant: “Creciendo Contigo”

The “Creciendo Contigo” grant awards \$200.00 to students enrolled in programs leading to a diploma and \$300.00 to students enrolled in programs leading to an associate, bachelor's or master's degree. The grant is applicable to the first term of study. An additional \$200.00 will be awarded to students who are ineligible for the maximum Federal Pell Grant amount due to reaching the maximum lifetime limit.

To be eligible, students must meet the requirements described below:

1. Enroll in a new program after previously completing a program at one of NUC University's locations or re-enroll in a program previously initiated that was not completed in any of NUC locations,
2. Complete the Institutional Grant Application before the end of their first academic term,
3. Be a resident of Puerto Rico and/or enrolled in NUC University South Florida campus,
4. Maintain satisfactory academic progress,
5. Complete all courses enrolled in the first term of studies.

Institutional Grant: "Por ti, Contigo"

The “Por ti, Contigo” grant awards \$200.00 to new students enrolled in programs leading to a diploma, and \$300.00 to new students enrolled in programs leading to an associate, bachelor's or master's degree. The grant is applicable to the first term of study. An additional \$200.00 will be awarded to students who are ineligible for the maximum Federal Pell Grant amount due to reaching the maximum lifetime limit.

To be eligible, students must meet the requirements described below:

1. Be a new student,
2. Complete the Institutional Grant Application, prior to the end of their first academic term,
3. Be a resident of Puerto Rico and/or enrolled in NUC University South Florida campus,
4. Maintain satisfactory academic progress,
5. Complete all courses enrolled in the first term of studies.

Institutional Grant: Pathway to Success Grant and Tuition Discount

This grant awards \$750 and a discount of 15% for each term to students who re-enroll in a Bachelor's degree program previously initiated that was not completed. The grant applies to the first term of study. To be eligible, students must meet the requirements described below:

1. Complete the Institutional Grant application before re-starting the program,
2. Re-enroll and attend the same bachelor's program previously initiated and be able to complete the remaining of the program within 150% of the initial date of enrollment,
3. Maintain satisfactory academic progress,
4. Graduate from the program within 150% of the initial date of enrollment, as certified by the Registrar.

Institutional Grant: Pathway to Success Grant and Tuition Discount (Teach Out)

This grant awards \$750 and a discount of 15% for each term to students who attend an academic program at a location with an active Teach-Out plan (select NUC-DT IBC locations). The grant applies to the first term of study. To be eligible, students must meet the requirements described below:

1. Complete the Institutional Grant application before completing the program,
2. Complete a program in an eligible location,
3. Maintain satisfactory academic progress,
